CORPORATE CREDENTIALS

PEM Security Guard Network Limited is a registered category "A" licenced security company under the provision of the Private Guard Company Act: C.A.P 367 of the Federal Republic of Nigeria 1990.

PEM Security Guard Network Limited is one of the leading firms in the protective security industry in Nigeria, providing comprehensive, all round security services to our clients cutting across various segments and sectors.

Our reputation rests on our professionalism and the integrity of our operatives and corporate Values, to which we are committed. We shall continually strive in pursuit of excellence in our customer service. We expect clients to value our contributions, respect our judgement and work with us in an ongoing programme of refinement and improvement.

OUR VISION:

To become a leader in providing efficient, effective and innovative Security solutions.

OUR MISSION:

We are committed to providing excellent security services towards meeting and exceeding our client's life and properties.

OUR SERVICES

➤ EVENT SECURITY:

We provide a comprehensive security plan for events that require crowd control, access control management, VIP protection, Escorts etc. We have the resources and expertise to manage your events.

➤ VETTING / BACKGROUND CHECK:

As an employer, you typically will not know much about your new staff member beyond a CV and an interview. Staff moving roles, within organisations could give rise to the same concerns, especially in Large Organisations. To help solve this problem, our organisation provides screening services on staffs for your organisation, we perform checks on their background and validate their declared history.

➤ MANNED GUARDING:

A significant focus of our mission is to provide bespoke manned guarding services, tailored to match our client's security requirements. This is an objective we achieve via vetting, training Whilst on duty during a periodic service, quality evaluation, high level management commitment and continuous supervision of each guard we deploy.

Our kitting team ensures that our guards are provided with appropriate Uniforms and equipment. We also facilitate training programs for our guards, cutting across various positions and levels of competency. Our security guards are supplied batons, walkie-talkie radios and hand held metal detectors, to ensure high level effectiveness and efficiency in the discharge of their duties. Our guards are categorised into three :

- I. EXECUTIVE
- ii. STANDARD
- iii. ACCESS

➤ SECURITY CONSULTANCY

We provide our clients with professional advice on how to plan, design and create a safe and secure environment for your business and homes

Our Expertise in consulting include

- a.) Risk Management
- b.) Security Planning and implementation
- c.) Business Integrity and Litigation Support Solution
- d.) Brand Protection

➤ CORPORATE DRIVERS/ SPY POLICE DRIVERS

PEM Security provides corporate drivers for the movement of people and valuables from pickup point to desired destination and also for personal services.

We provide airport pickups and drop-off services with our professional and dedicated drivers. We also provide trained spy police drivers for personal and corporate jobs.

➤ SECURITY GADGETS

We provide tactical self defence and other wide range of high quality security equipment/ gadgets such as teaser, pepper spray, handcuffs, metal detectors and electronic baton, walkie-talkie. etc.

➤ ELECTRONIC SECURITY:

We supply, Install and maintain fully integrated electronic security systems, to meet the safety objectives of our clients ranging from CCTV, Access Control Systems, etc.

➤ SECURED MOBILITY

Our secured mobility platform provides safe, convenient and unique travel experience, using modern technology and quality resources after considering all threat levels, to ensure that our clients arrive safely at their destinations. These services are provided to individuals and corporate businesses in collaboration with the Government security Forces.

- I.) Closed Protections Services
- ii.) Armoured and Regular Vehicle services
- iii.) Freight Secured
- iv.) Meet and Greet Services

➤ SECURITY DOGS

Our team have specially trained security dogs and handlers, to provide value added security services to your private homes and exclusive events. Our guard dog security unit, provides around the clock security solutions to protect you and your assets from any form of security breach on your location on request.

OUR PROPOSAL

Dear Sir/Ma

PEM Security team, appreciates the opportunity to submit her proposal to provide first class security services to your facility.

PEM Security is the most competent and professional firm for handling the unique security needs of your establishment.

PEM Security proposes to provide your establishment with the best quality security officers in the industry, who will be supported by our committed Management teams. PEM Security will implement our proprietary reporting technology, in order to offer this firm important account information as well as proof of efforts and work done in your organisation.

Our number one goal is to deliver a specialized, service-focused security solution. Our operations and leadership teams, have a very clear understanding of the dedication, experience, trust and proficiency required to meet and exceed the expectations and we are excited at the prospect of becoming your next true security partner. We are hopeful that our proposal will provide you with all the information you need to make an informed and detailed decision about your security program; however, as you proceed with your evaluation process, please do not hesitate to contact us should you have any additional questions.
